Antimony Bull Hog Project Phase 3

Bureau of Land Management, Richfield Field Office

Contact Information: Bob Bate 435-896-1513, Robert.Bate@blm.gov or Jill Ivie 435-896-1573, jill_ivie@blm.gov

Planned Treatment Date: Spring/Summer 2010

Location: This project is located approximately 10 miles south of the community of Antimony, Utah along highway 62.

Legal Description: Township 32 S, Range 2 W, Sec(s) 10-11, 14-15. Garfield County.

Project Description: Starting in the spring of 2010, the BLM Richfield began implementing a fuels reduction project on approximately 500 acres. The project includes the removal of the Pinyon/Juniper in the area by mechanical methods (Bull Hog). The project objective is to decrease the encroaching pinyon and juniper, and increase grass and forbs. Areas that need may be seeded with grasses and forbs. The area is considered critical mule deer winter range. This project will continue into the fall of 2010.
